

2024 Sponsorship Information

The Pima Dental Study Club was formed in the mid-1970s by a group of Tucson area dentists as a forum to network, obtain continuing education (CE) credit hours and keep members informed on topics relevant to dentistry. In 2016, the club became a 501(c)(6) nonprofit educational organization. Today, we have nearly 100 members and offer eight substantive continuing education programs per year.

Sponsorships offer businesses a forum to inform members of their valuable services and establish relationships with practitioners and practices at our continuing education meetings.

Sponsorship funds enable PDSC to offer stable membership dues and affordable programs locally.

We invite you to become a 2024 event sponsor and are pleased to offer sponsorships at two levels.
