Jurisprudence Please

2 credit hours - Arizona dental jurisprudence

Since 1973, the Pima Dental Study Club has served dentists and dental specialists practicing in Tucson and Southern Arizona. The club offers a congenial forum for area practitioners to network and obtain continuing education credits locally.

We offer eight **CE programs** per year and invite you to attend our fall CE programs. Event and registration information and rates can be found on our website. Registration is required. Members enjoy favorable rates though nonmembers are always welcome at our events. Consider joining the club to get the best registration fees.

Membership information can be found on our website. We prorate dues after June 30th so take advantage of this opportunity to join now and attend our fall events at member rates.

Join us!
