2023 Pima Dental Study Club Sponsorship Opportunities

PDSC is a professional organization of over 100 dentists and dental specialists practicing in Tucson and Southern Arizona. For over 40 years, the Pima Dental Study Club (PDSC) has provided continuing education (CE) and networking opportunities for hundreds of members. We offer eight substantive continuing education programs per year.

We are now actively seeking sponsors for our 2023 CE meetings. Sponsorships provide a forum for businesses to inform members of their valuable services and establish relationships with practitioners and practices. Sponsorship funds enable PDSC to offer stable membership dues and affordable programs. We do not split sponsorships but we are open to suggestions for alternative sponsorships. PDSC is pleased to offer sponsorship benefits at two levels.

The **\$350 Sponsorship Level** includes the following benefits:

- Your company logo is included on the meeting announcements which are distributed to club members at least four times prior to the meeting. Please email your logo to us.
- Your logo and a link to your website are posted to the PDSC website during the event promotion period and for the remainder of the calendar year.
- One-page promotions (.pdf files) can be sent to members during the promotional period and can be posted to our website if you send them to us in advance.
- A sponsor table for your business and promotional materials.
- Network and dine with our members.
- One company representative is invited to attend
- We offer a complimentary meal for your company representative.
- One minute of microphone time at the beginning of the meeting to address the attendees.
- A list of the attendees after the meeting.

The **\$600 Sponsorship Level** includes the benefits listed above plus:

- An additional representative is invited to attend. Second meals are available at the member rate of \$85 per person.
- Up to five (5) minutes of podium time at the beginning of the meeting to address the meeting attendees. This includes MS-Powerpoint slides if you submit them to us in advance.

We hope you will consider sponsoring a 2023 PDSC continuing education program or even a series of programs. Space is limited so schedule early. If you have questions about PDSC, our schedule or sponsorships please contact the club office or visit our website. Thank you!
