2027 Event Sponsorship Information

The Pima Dental Study Club was formed in the mid-1970s by a group of Tucson area dentists as a forum to network, obtain continuing education (CE) credit hours and keep members informed on topics relevant to dentistry. In 2016, the club became a 501(c)(6) nonprofit educational organization. PDSC holds eight meetings per year on the second Wednesday of the month from January to May and September to November.

Event sponsorships offer businesses a forum to inform members of their valuable services at our continuing education meetings. In 2026, our meeting attendance ranged from 30 – 45.

Sponsorship funds enable PDSC to offer stable membership dues and affordable programs locally.

We invite you to become a 2027 event sponsor and are pleased to offer this sponsorship at two levels.
